

Children Cry for Fletcher's

CASTORIA

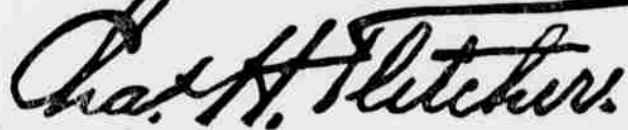

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhoea. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

The Barry Reading Class will meet Saturday afternoon at the High school.

Lily Bid Bridge.

Mrs. Mark Kirkpatrick will entertain the Lily Bid Bridge club Thursday afternoon 2:30 o'clock. Following the usual custom, the club members will telephone the hostess.

Broadway Methodist.

The Broadway Methodist Young Ladies' Missionary society met last

afternoon at the church. There was an interesting installation of officers, and a splendid program. Miss Margaret Bishop and Miss Lena Sullivan were chosen as delegates to the Women's Missionary conference which convenes Jan. 28 at Norman.

Lange-Redmond.

A beautiful wedding was solemnized last evening at the residence of the bride's mother, Mrs. H. C. Lange, 1124 Avenue G, when her daughter, Miss Helene Lange, was united in marriage to Mr. Francis Allan Redmond, Rev. G. W. Cadman, rector of Grace Episcopal church, officiating.

The south bay window of the drawing room was vined in southern smilax and banked with palms and ferns. The mantels were likewise banked with bride roses and ferns. White satin pillows were placed in front

of the improvised altar for the plighting of the nuptial vows.

The following relatives of the groom entered and took their places to the right of the altar: Mrs. John Redmond, mother of the groom, and Mrs. Edward C. Pitkin and daughter, Miss Virginia Pitkin, and Mrs. Emily Newmann and daughter, Miss Virginia Allan Newmann. Then the relatives of the bride, the bride's mother, Mrs. H. C. Lange, and sisters and brothers, Miss Erna Lange, Mr. and Mrs. Richard Barlow Wilkins, and little daughters, Misses Betty and Lou Wilkins, and Mr. and Mrs. A. Q. Peterson, Mrs. Alvin T. Lange, Messrs. William G. and Oscar Lange, and the bride's uncle and aunt, Mr. and Mrs. E. W. Greundler, Miss Greundler of Houston, came in and stood to the right of the nuptial bower.

The bride was attended by her sister, Miss Anna Lange, as maid of honor, who was gowned in turquoise blue chiffon tulle with chiffon of same shade, and carried with her lace. She carried an arm cluster of pink Killarney roses tied with broad pink chiffon ribbon streamers.

The bride entered with her eldest brother, Mr. Alvin T. Lange, who gave her away. She looked lovely in her wedding robe of white satin tulle with corsage of silk tulle, rose point lace, and trimmed with seed pearls. The skirt had a double-tulle effect of the tulle. The long wedding veil fell in graceful folds to the hem of the train, and framed the face in simple and most becoming effect. The bridal bouquet was of lilies of the valley tied with white tulle streamers.

The platinum wedding ring used in the ceremony bore in its center a tiny golden circle, and is the wedding ring that was worn more than four score years ago at the marriage of the groom's grandmother, the late Mrs. Virginia Lowndes Allan.

Mr. Redmond was attended by Felix C. S. Herford of Dallas as best man. The invited guests included the relatives of the bride and groom and the intimate friends of the family.

A reception followed the ceremony. The punch bowl was placed in the music room, and was wreathed in smilax. The mantels held meteor roses and ferns, and were also given a setting of palms and ferns.

The dining room was elaborately decorated with tropical plants and foliage, and a wealth of pink Killarney roses. The bride's table was covered with a handsome ebony lace cloth. The floral centerpiece was of lilies of the valley and ferns. Silver dishes filled with dainty bon-bons and confections were placed about the elegantly appointed table. The bride's cake was laid in white and wreathed in lilies of the valley and ferns. The white satin ribbons of fate were drawn as follows: The ring, Miss Emily Kieberg; drive, Miss Mary Belle Cox; wishbone, Miss Virginia Pitkin; thimble, Miss Isabelle Woolford.

Mr. and Mrs. Redmond left last evening for California and will spend Christmas in Los Angeles, the guests of Mr. Redmond's brother and sister, Mr. and Mrs. William W. Richardson.

The bride's traveling costume was of dark brown broadcloth trimmed with beaver, with which was worn a tailored brown velvet hat trimmed with the same fur and chen of tailored ribbon, and a blouse of gold net over flesh-colored chiffon, trimmed with beaver and chantilly lace.

The bride threw her bouquet from the stair landing, which was caught by her youngest sister, Miss Erna Lange.

The groom's gift to the bride was a pearl and platinum chain with platinum lavalier set in diamonds. His gift to his best man was a platinum stickpin with diamond setting.

The wedding gifts were very handsome. These were shown in the library, with cards removed.

The bride was reared in Galveston. Graduated at the Ball High school, and completed her musical studies in Germany.

The groom is manager of the fuel oil properties of the Santa Fe, and is manager and one of the three directors of the Coline Oil company, a subsidiary of the Santa Fe. Mr. Redmond has been very active in all of the oil developments about Ardmore. He is not only a prominent business man, but socially has made hosts of strong friends in that city. He was born and reared in Galveston, and is the only son of Mrs. John Redmond, and, like his bride, is a member of one of Galveston's oldest families—Galveston News.

Mr. and Mrs. Redmond will be at home after Jan. 10, at 111 C street, southwest, at the home of Mr. and Mrs. L. H. Griffin.

Burns Prove Fatal.

Chickasha, Okla., Jan. 4.—Mrs. Earl Glover, wife of a farmer of this county, died today from the effects of burns received three days ago in a coal oil explosion. She was building a fire with coal oil when the can exploded, throwing oil over her dress.

GIRLS! HAVE A MASS OF BEAUTIFUL HAIR, SOFT, GLOSSY, WAVY

25-cent bottle destroys dandruff and doubles beauty of your hair.

Within ten minutes after an application of Danderine you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy. Just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

She ran to the barnyard to find her husband, which caused the flames to envelop her. Her husband was severely burned in trying to extinguish the flames.

Gas in the stomach, coming from food which has fermented. Get rid of this badly digested food as quickly as possible if you would avoid a bilious attack; HERBINE is the remedy you need. It cleanses and strengthens the stomach, liver and bowels, and restores energy and cheerfulness. Price 50c. Sold by Bonar Drug Co.

ACTIVITIES OF WOMEN

Interesting Notes of Feminine Sex the World Over.

A woman's heart weighs from eight to ten ounces.

France had a surplus of 65,000 women before the war.

Kentucky has twenty-six women county superintendents of schools.

There are only six women wireless operators in the United States.

All the Berlin street cars are now in charge of women motormen.

The drink habit among women in this country is growing very fast.

Twenty-four colleges in the United States have women presidents.

Over 200 women are employed in the various municipal departments of Denver.

Mothers and their babies go together to the Montclair, N. J., evening schools.

woman consists of three khumies, one worn outside the other.

In forty-eight hours patriotic women in Pennsylvania recently raised over \$25,000 to be used in case of war.

Miss Charlotte V. Cudney has charge of the renting department of Cleveland's largest real estate firm. Possessing a house surgeon in the English hospitals, heretofore held by men, are now being offered to women.

Being in sympathy with the men at the front, French women are now making the cheapest kind of tobacco. Cigars at Wooster college will be provided with apple pie made from apples raised in the orchards of the college.

A woman can talk longer than a man, and does so because she uses less force by a large percentage than a man does.

Queen Elizabeth of Belgium has sent to the Belgian soldiers sixty gramophones, each with a repertoire of fifty records.

Mrs. James Scott and Mrs. Charles Kirk, American women, recently succeeded in hanging nine deer in the mountains of Hawaii.

Women workers are now in great demand in England and the various stores and industries could easily use 150,000 of them.

Mrs. Carrie Chapman Catt has been elected president of the National American Woman Suffrage association to succeed Dr. Anna H. Shaw.

Among the recent captures in the Dardanelles were seven slim and particularly youthful-looking snipers, all of whom turned out to be women.

Ethel Barrymore will receive \$19,000 a picture for four pictures a year for three years from a prominent moving picture concern.

Of the 3,414 women recently interviewed by the state factory inspector in Iowa, 29.7 per cent were found to be earning less than \$4 per week.

In view of the large number of women who have proceeded to Egypt, it has been decided to prohibit the issuance of passports to women who desire to travel or winter in Egypt.

Miss Edith L. M. Tate made the highest grade of ten persons in a contest examination for the position of apector of the tuberculosis bureau of the state board of health of California.

Everyone Should Drink Hot Water in the Morning

Wash away all the stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean, inside, no sour bile to eat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick headache, colds, indigestion or gassy, acid stomach, you must bathe the inside like you bathe outside. This is really more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well known physician.

To keep these poisons and toxins well washed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone sulphate in it. This will cleanse, purify and freshen the entire alimentary tract, before poisons move food into the stomach.

Get a quarter pound of Limestone phosphate from your pharmacist. It is inexpensive and almost tasteless, except a sourish twinge which is not unpleasant. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

To feel like young folks feel, like you felt before your blood, nerves and muscles became saturated with an accumulation of body poisons, begin this treatment and above all, keep it up! As soap and hot water act on the skin, cleansing, sweetening, and purifying, so limestone phosphate and hot water, before breakfast, act on the stomach, liver, kidneys and bowels.

contest examination for the position of apector of the tuberculosis bureau of the state board of health of California.

Rheumatism!

How is rheumatism recognized? Some have said—

Rheumatism is a dull pain.
Rheumatism is a sharp pain.
Rheumatism is sore muscles.
Rheumatism is stiff joints.
Rheumatism is a shifting pain.

All have declared—Rheumatism is Pain.

Sloan's Liniment applied:—

The blood begins to flow freely—the body's warmth is renewed—the congestion disappears—the pain is gone.

Sloan's Liniment

KILLS PAIN (GUARANTEED)

Rheumatism and allied pains yield to the penetrating qualities of this warming liniment.
